Charleston, SC (January 17, 2014): The Daniel Island Property Owners Association has announced there will be a one day controlled burn as part of a forestry land management plan for Rhoden Island. Trained and certified South Carolina Prescribed Fire Managers are on site and anticipate starting the project at approximately 10:30 AM on 1/17/14. The burn will involve approximately 100 acres and should conclude today.

There may be smoke and/or odor in the area for the next 48 hours. Please contact the Daniel Island Property Owners' Association at (843) 971-9200 if you have any questions. The area of this controlled burn is outlined in black located on the map below.
